I am looking to put together a team of dancers to become our Performance and Competition team. We have been invited to do local performances in the past and maybe even a competition or 2 during this year. It will be great to have a team that Represents Studio Blue Dance Narooma & Bermagui.

Requirements to be a member of the Performing arts/ Competition team:

1. Want to do it.
2. Preferably at least 1-2 years of dance experience.
3. Attending minimum of 1 general dance class a week already and continue to do so.
4. Attend performance group training sessions once a week.
5. Be available to do weekend training sessions at least once/twice a month depending on schedules.
6. Be able to attend most performances and Competitions (Usually hosted on weekends, some may be local or interstate).
7. Be a team player and show up for the team, have a positive attitude and be ready to learn and work hard to achieve goals. Negative and toxic behaviour will not be tolerated within the group.
8. Be in a position to purchase/hire costume/s organised for group dances and a team jacket (Costumes/Jackets belong to you when purchased we try not to go over-board and keep prices of costumes realistic)
9. Be an excellent role model to younger dance students from our studio, other studios and in our community.

Competitions and Performances will not be 100% compulsory but the whole team will train in preparation and be invited to participate.

Please let me know if your child would like to be part of this team.

- If we have more than 5 students travelling from Bermagui each week we will host some training sessions in Bermagui once a month. This will also benefit the team as the Bermagui Hall is a Huge Space to place the choreography.
